## CRUISE TRAVEL FACTS

### **Documentation required to cruise as of the time of this proposal:**

U.S. Passport book that is valid at least 6 months after your cruise ends.

### **- OR -**

For sailings departing and ending from the SAME U.S. homeport, an official U.S. Birth Certificate is also accepted. **Guests aged 16 and older that present a Birth Certificate will also need to provide a valid Driver's License or picture ID issued by the government.** Please note that hospital Birth Certificates (baby feet Birth Certificates) are not accepted.

For sailings that start and end in DIFFERENT U.S. homeports, such as a Panama Canal full transit, **passports are required.**

### **Children traveling without their parents or legal guardians.**

Children traveling with adults who are not their parent or legal guardian must present an original, notarized consent form signed by the legal guardian and authorizing them to take the child on the specific cruise, including activities, excursions and allowing emergency medical treatment to be administered if needed.

Guests who fail to have the form signed and notarized (stamped by a notary) will be denied boarding. For your convenience, we can provide a sample form for your use.

### **ETIAS Authorization System to start in 2024 and will be required for all non-E.U. visitors.**

All U.S. travelers to the E.U. will be required to receive ETIAS authorization to enter the countries starting in 2024. You will be allowed to stay in the E.U. for 90 - 120 days with each authorization. We do not have a start date yet for this new system. [You can read more about this new system in our blog.](#)

### **Travel Insurance**

Travel insurance is HIGHLY recommended for all travel, particularly with cruises that will be visiting international ports. Should you require medical attention onboard, or be medically evacuated in another country, your medical costs can be significant. Most US health insurance policies do not cover you once you leave the country. We never go on a cruise without travel insurance and we recommend purchasing insurance through a third party vendor, such as Allianz, rather than through the cruise line. Recommended Insurance coverage is included in each proposal.
